Foreword

If this yearbook incites one beautiful memory, recalls one single friendship, lights one face with a smile, or fills one heart with happy tears, we will know that it has fulfilled the purpose for which it was made and that our efforts have not been in vain.

To record in enduring form the activities and achievements of the student body and to instill in the hearts of the Daughters of Charity Hospital School of Nursing a deeper respect for their Alma Mater has been the purpose in preparing this, the 1962 CAPS AND CAPES.

To one who is liked for her humor and forthrightness; to one who says nothing of her talents but helps to develop the talents of others; to one who, during her years at Charity Hospital School of Nursing, has gained respect for her knowledge and advice and has earned the esteem, not only of the students, but also of her fellow faculty members.

To Mrs. Colleen Davis we dedicate, with heartfelt appreciation, this 1962 edition of the CAPS AND CAPES.

To Miss Carol Levy, who has inspired us all by her understanding, her patience, and her devotion to her work, we, the Annual Staff do present this edition as a small tribute to her.

ORGANIZATIONS

Student Council

Student Council, the governing division of the student body, is composed of duly elected officers and representatives from each class, including affiliate classes. The Council is a method of student self-government, which is granted and supported by the school administration. Weekly meetings are held to consider infractions of regulations with which students are charged, to discuss current problems, and to suggest improvements for the general welfare of the student body. It offers one a true insight into student problems and administration policies. Prestige and respect are given its members as representatives of the student body.

Since its organization in 1950, the Louisiana Association of Student Nurses has played a vital part in student life and activities. The association has functioned to prepare students for membership in graduate associations by acquainting them with the purpose, goals, and programs of the professional organization, thereby providing a solid foundation upon which to base their activities in the association.

Under the sponsorship of Miss Vera Baker, Charity's L. A. S. N. can point with pride to a year of progressive and effective organization.

Protestant Chapel

Protestant Chapel provides an opportunity for all protestant girls from Charity and affiliating schools to get together for a devotional period once a week. Guest speakers are invited for each devotional time and give brief ideas, opinions, and discussions on various subjects.

The Protestant Chapel has had a very good year of spiritual activity, which includes chapel services, Bible studies and discussions, charitable assistance to the needy, and occasional social get-togethers.

Athletic Club

Again this year, under the most capable direction of Mr. Elroy Scott, the Athletic Club added several victories to its credit. They participated in the Student Nurses' Volleyball and Basketball Leagues sponsored by the YWCA and traveled to Memphis to take part in the Cotton States Nurses' Tournament.
